

HALIZOVA MILA

Mila Halizova is an artist whose creative heart is rooted in her natural and cultural environment. Born in Russia and now based in Montenegro, she first pursued a career in fashion as a designer and founder of her label before exploring other artistic mediums. Like an ode to simplicity and nature, Mila Halizova experiments with high-quality organic and recycled materials. Hence, she assembles flowers and stems, pine cones, and abalone to create sculptures on minimalist canvases. With their repeating patterns, she creates reliefs of fascinating depth.
